NOTICE

Formation of IPR Cell

This is to inform all concerned that Mrs. Soudamini Sahoo, Sr.Lecturer, Mathematics, Basic Science & Humanities, is hereby assigned the additional responsibility of In-Charge of the Intellectual Property Rights (IPR) Cell with immediate effect. The primary objectives and responsibilities of the IPR Cell under her leadership shall include, but are not limited to:

- Creating awareness about the importance of IPR (Patents, Copyrights, Trademarks, etc.) among faculty, researchers, and students.
- Facilitating the filing of patents and other IPR for innovations and research outputs originating from within the institution.
- Guiding and assisting inventors and authors through the complete IPR application process.
- Acting as a liaison between the institution and external IPR attorneys/agencies.
- Maintaining a registry of all intellectual property generated within the institution.
- Organizing workshops, seminars, and training programs on IPR-related topics.

Mrs. Soudamini Sahoo has been entrusted with this role in recognition of her expertise, dedication, and institutional commitment. All faculty members, staff, researchers, and students are requested to extend their full cooperation and support to her in discharging these important responsibilities. For all matters related to Intellectual Property Rights, please contact Mrs. Soudamini Sahoo at 6370664764.
